☐ I want to support SPEC monthly

One of the best ways you can support SPEC is to become a monthly supporter. Your monthly contribution will help us to budget and plan for the future by keeping our administrative costs low and enable us to provide your community with important environmental programs and services.

You can give as much, or as little as you want. We have monthly donors who give $5/month, some $20/month and others up to $100/month.

Become a monthly supporter with a minimum of $5/month & receive a free SPEC membership every year!

You can also sign up online at www.canadahelps.org (search for "SPEC" and select "Donate Monthly")

○ Monthly amount deducted from credit card $ _____

We process our monthly donations via the secure website CanadaHelps.org. You will receive two emails from them indicating your monthly donation schedule is setup. At year-end you will receive a summarized tax receipt for all your monthly contributions.
